Dear Parents,

The purpose of this progress report is to inform you about your child's learning achievement based on the Kindergarten Curriculum Guide. This reflects a summary of your child's learning performance. It identifies your child's levels of progress in different domains of development (not necessarily academic) every ten (10) weeks or quarter so that we know if additional time and follow-up are needed to make your child achieve the competencies expected of a five (5) year old.
